April 27, 2013 – Drug Take-Back – CV Executive Center, 15933 Clayton Rd, Ballwin MO
10am – 2pm (Located at the Northwest corner of Clarkson and Clayton)

Priority One

Officers from the St. Louis County Police Department discuss ways to protect you and your property during the half hour telecast of Priority One. Show Host Randy Gardner will feature St. Louis County Department Armor Officer John Bozarth and Detective Gary Coxen, CCW Program Coordinator. The show will focus on carrying a concealed weapon (CCW) Permits and Gun Safety Training for individual Citizens.

The show, in cooperation with the St. Louis County Police Department, takes an in-depth look at every facet of the Department: behind the scenes police operations, ride alongs, crime trends in the community and upcoming events. GTN.TV is a syndicated cable news operation that operates out of the City of Black Jack, MO. The station is shown in every home in the St. Louis Metro area with Charter Cable Channel 994 and AT&T U-Verse Channel 99, including St. Charles County and Jefferson County. The station can now be seen live on the internet 24 hours a day at www.gtntv.com.

Medication Take-Back Events April 27, 2013 10am – 2pm

Did you know that everyday 2,500 youth abuse prescription drugs for the first time.

Did you know that 1 in 5 young people have abused prescription drugs.

Did you know that 25% of drug related ER visits are associated with abuse of prescription drugs.

Prescription and over-the-counter medications will be accepted, including liquids, inhalers, medicated ointments and patches.

Agencies participating in this take-back event and drop off locations are as follows:

Ballwin, Chesterfield, Clarkson Valley, Ellisville, Eureka and Fenton.

For additional information contact Rockwood Drug-Free Coalition at 636-733-2136, www.RockwoodCoalition.org or go to www.dea.gov

Fraudulent Use of a Credit Device

Recently the Wildwood Precinct as well as other municipalities within St. Louis County and the surrounding area have been taking a higher than what we would normally encounter, volume of fraudulent use of a credit device reports. As you may have seen on the news reports the Federal Bureau of Investigations, Attorney General's office and police agencies have been working together to track and identify the source of these frauds. The latest information reported believes Schnucks grocery and or a company that processes the financial transactions for Schnucks grocery has been compromised, likely through a computer hacker. As the investigation into this matter continues to move forward we ask that everyone remain vigilant in checking their accounts for unauthorized activity. If you come across transactions that you did not make you need to contact your credit card provider immediately to cancel your card and close your account. We ask that you then contact your local police department to make a report of the incident.
