P.Z. 6-13 City of Wildwood, c/o Department of Planning, 16860 Main Street, Wildwood, Missouri, 63040 - A request to review and consider the definition of the 'Suburban Residential Area' under the 'Conceptual Land Use Categories Map' of the City's Master Plan for a potential change to its text to addresses certain properties that abut, or are located, between the boundaries of the Town Center Area and existing developments approved by St. Louis County, prior to the incorporation of the City of Wildwood. This review of the text of the 'Suburban Residential Area' would be to consider a greater density of units per acre on this limited number of properties than are currently allowed under its adopted text.
