

WILDWOOD

Street Tree Selection List

The following list identifies city-approved street trees. A mixture of these trees is preferred over planting a monoculture within an entire subdivision in order to reduce the possibility of disease and loss.

- Red Sunset Maple
- October Glory Maple
- Autumn Brilliance Serviceberry
- Spring Snow Crabapple
- Eastern Redbud
- Paperbark Maple
- Trident Maple
- Kwanzan Oriental Cherry
- Hedge Maple
- Northern Red Oak

Should you have a tree species not listed above that you would like to plant, please contact Scott Hummel, superintendent of streets for the Department of Public Works at 636-458-0440, ext. 120.
