This 2.5 mile trail was a joint effort between the City of Wildwood, the Missouri Department of Natural Resources, and the St. Louis County Department of Parks and Recreation in 2003. Just south of Glencoe City Park, this chat-surfaced trail runs along the banks of the Meramec River, eastward to Sherman Beach. Trail connections can be made to Hamilton-Carr Greenway directly north of the soon-to-be-improved, 1-acre Al Foster Memorial Trailhead and parking area, Bluff View Trail at mile marker 0.5, Rock Hollow Trail at mile marker 1, and Castlewood State Park via a single-track natural trail. A one-half-mile western extension, including a 194-foot pedestrian bridge over Hamilton-Carr Creek, was completed in 2011 through a partnership between Great Rivers Greenway and the City of Wildwood. Eventually, this trail will extend further south to Route 66 State Park! *Source: Wildwood website*

A large playground, with parking lot, a shade structure, picnic tables, restroom facilities, and beautiful landscaping, fencing, and stone piers, were installed in 2005 on a portion of the site. A major expansion was completed in 2000, doubling the overall building's original size. After the City of Wildwood moved to a larger facility in 2010, the property was purchased by Wildwood resident Clarissa Wheeler and became Imogene's Tea Room. *Source: "Wildwood" by Jo Beck, 2009*
