If your dog is involved in a fight (not rough play) - take your dog home. You should leave immediately because your dog is overly excited and may return to the fight, or start a new one. Come back later or the next day, but give your canine a chance to calm down, off site. Before you leave, check your dog and speak to owners of other dogs involved to be sure there are no injuries. If injury occurs, file an Incident Report immediately with the Department of Planning and Parks or the St. Louis County Police Department - Wildwood Precinct, if after normal business hours.
