**RE: P.Z. 6-16 AUBURN RIDGE – RECONSIDERATION**

Dear Mayor and Councilmembers:

Since the last Council meeting where Auburn Ridge was on the agenda, the Auburn Ridge development team, after much consideration and analysis, revised the Plan (the “Revised Plan”). The Revised Plan was presented to residents at a meeting held on February 15, 2017. The Revised Plan has also been submitted to staff. The Revised Plan represents the culmination of numerous changes to the original plan and the best efforts of the Auburn Ridge development team to respond to the issues and concerns of the residents and Council and still have a feasible project.

We respectfully request that the Council take action to direct the preparation of appropriate legislation based upon the Revised Plan. Thank you.

Very truly yours,

Michael J. Doster
